**ADOPTED: 2/28/05**

**CLASSIFICATION: Philosophy, Goals  
& Comprehensive Plans**

**REVISED:**

**SUBJECT: School Accountability Report Card**

---

The Board and the Superintendent shall annually issue a school accountability report card for each school. (Education Code 35256)

Such report cards shall be designed to inform parents/guardians and the community about conditions, needs and progress at each school and to help provide data by which parents/guardians can make meaningful comparisons between schools. The Board believes that the process of developing the report cards gives school staff opportunities to review achievements, identify areas for improvement, enlist local support and establish a vision for the future.

The Superintendent or designee shall maintain a process for developing annual report cards for each school. The Superintendent or designee shall develop strategies for communicating the information contained in the cards to all stakeholders.

The Board shall publicize through inclusion on a regularly scheduled board agenda, the issuance of school accountability report cards and notify parents/guardians that a copy will be provided upon request. (Education Code 35256) This notification shall be part of the annual parent notice.

The Superintendent or designee shall ensure that the information contained in the school accountability report card is accessible on the Internet and that the information is updated annually. (Education Code 35258)
