Dear County Superintendents of Schools:

Ninth Apportionment for Learning Loss Mitigation Funding Governor's Emergency Education Relief Fund Fiscal Year 2020–21

This apportionment, in the amount of \$8,985,757, is made from federal funds provided to the state from the Coronavirus Aid, Relief, and Economic Security Act, Governor's Emergency Education Relief (GEER I) Fund, Section 18002 (Public Law 116–136), and pursuant to Section 110 of Senate Bill (SB) 98 (Chapter 24, Statutes of 2020) as amended by Section 59 of SB 820 (Chapter 110, Statutes of 2020), Section 4 of Assembly Bill (AB) 86 (Chapter 10, Statutes of 2021) and Section 35 of AB 167 (Chapter 252, Statutes of 2021). The GEER Fund is one of three fund sources available for Learning Loss Mitigation Funding (LLMF). The other two fund sources, released in separate apportionments in September 2020, include the Coronavirus Relief (CR) Fund and the state General Fund.

The amounts paid in this apportionment reflect expenditures and obligations reported as of the Fall 2022 expenditure report less funds previously paid. Local educational agencies (LEAs) that reported GEER I obligations are required to liquidate any financial obligations no later than 120 days after the end date of the period of performance, LEAs that do not properly liquidate funds will be required to promptly return any unexpended amounts. Information on reporting requirements is available on the Federal Stimulus Funding web page at <https://www.cde.ca.gov/fg/cr/#reporting>.

The LLMF may be used to support individuals served by LEAs, including, but not limited to, those enrolled in a childcare program, California state preschool program, kindergarten, any of grades one to twelve, inclusive, and adult education programs. **The eligible uses of LLMF is consistent for all three fund sources regardless of the formula under which funding is generated and must be used for the purposes identified in Section 110(d).** Additional details for the LLMF, including use of funds, expenditure deadlines, allocation formulas, apportionment timing, and other LLMF requirements are available on the LLMF web page at <https://www.cde.ca.gov/fg/cr/learningloss.asp>.

State compliance requirements in SB 98, as amended, and federal compliance requirements specific to CR and GEER Funds are detailed in the LLMF Assurances, available on the LLMF web page at the web address noted above.
