

Annual Online School Library Survey

2010-2011 School Year

The annual CDE online school library survey is open to collect information about school libraries for **2010-2011** (last year). The current survey will be active through April 30, 2012.

<http://www.cde.ca.gov/ci/cr/lb/schlsurvwelcompage.asp> is the survey home page. A password is required and is the same for everyone.

Type it exactly as it appears here: @YourLibrary

Suggestions: Print out a copy of the survey to send to school library personnel to use as a worksheet. Once the information is gathered on paper, they can come back to submit it online. We have been known to enter information for those in need of assistance. At any time you can see which schools have submitted survey information by looking at CURRENT SURVEY PARTICIPATION on the survey home page. Also you can see the actual information submitted at the SURVEY RESULTS FROM THIS YEAR AND PRIOR YEARS link.

Thank you for helping with the annual round up of information about school libraries. The library survey is more important than ever during these lean budget years. If you have any questions about the survey, please contact Lisa Leiplein at lleiplein@cde.ca.gov, or 916-319-0441. Thank you in advance for your help.
