

Ventura County Office of Education

Presented by Stanley C. Mantooth, Ventura County Superintendent of Schools
Coordinated by: Educational Services and Technology Services

"REAL TIME" CA Dashboard Analysis District Pulse Rollout

FOCUS: Equity, Continuous Improvement, Impact on Student Level Systems

District Pulse seamlessly integrates with Q. Each night (or upon a pre-defined schedule) a snapshot is taken from Q and sent to District Pulse. The purpose of the workshop is to train district teams on the functionality and opportunity to improve student performance levels aligned to the CA School Dashboard.

Agenda will include connecting student voice, timely updates of the release of the CDE CA Dashboard in December, and the alignment of District Pulse to the CA System of Support. There will be time set aside to work in groups and ask questions of county technology and educational services leaders.

WHO SHOULD ATTEND: District Leaders of the LCFF/ESSA and their team members: Student Services, Technology, Educational Services, Attendance Supervisors, etc.

DATE: Friday, October 18, 2019 (**BRING LAPTOPS**)
