

VENTURA COUNTY BOARD OF EDUCATION

BOARD POLICY NO. 5000

ADOPTED: 2/24/97

CLASSIFICATION: Students

REVISED:

SUBJECT: Concepts and Roles

The Superintendent shall provide student services which are essential to accomplishing the goals of the Office. Student services support the schools and programs operated by the Superintendent and/or the Board.

The major student services functions are as follows:

1. Meet legal responsibilities of the Board and Superintendent.
2. Provide leadership and guidance to establish the educational services offered to students.
3. Cooperate with the juvenile court system and County Probation to provide services to students in the court and community school program.
4. Establish and maintain regional student services through educational programs such as special education, court and community school programs, regional occupational program (ROP), migrant education, and other educational programs.
5. Provide mandated and authorized services on a countywide and/or regional basis for the students in schools and programs which are consistent, efficient, and cost-effective.
6. Provide for the placement of district students in appropriate educational programs through special education, court and community school programs, regional occupational program (ROP), migrant education, and other education programs.
7. Determine fair and effective practices, rules and regulations regarding student conduct, and welfare.
8. Direct the instruction, guidance, and discipline of students in Office schools and programs.
9. Provide for compliance with compulsory attendance law.
10. Periodically evaluate the status and effectiveness of the school and program activities operated by the Office.
