Training Objectives:

- Provide an overview of the Toolkit, including goals, content, materials, effectiveness and adaptability in a remote learning setting.
- Demonstrate various activities on addiction, e-cigs/vapes/pod-based systems, and other key topics to discuss with youth.
- Provide updates on tobacco/nicotine usage, harms, and industry marketing during the COVID-19 pandemic.
- Build confidence in using the Toolkit to teach remotely about the harms of using tobacco/nicotine products.

Educational modules on:

- Tobacco: The Basics
- E-Cigarettes/Vape Pens/Pod-Based Systems (including JUUL)
- Nicotine Addiction
- Positive Youth Development
- Healthy Futures
- Resource Directory

Toolkit features:

- Self-Paced Vaping Prevention Course
- PowerPoints with Educator Notes
- Interactive Lessons with Activities
- Educator Crash Courses
- Online Games such as Kahoot
- Discussion Guides
- Resource Directory
- 1-, 5-, 8-, 10-Session Curriculums

The Tobacco Prevention Toolkit is now on Facebook and Twitter!
