

VENTURA COUNTY BOARD OF EDUCATION

BOARD POLICY NO. 5141.31

ADOPTED: 2/24/97

CLASSIFICATION: Students

**REPLACED
& REVISED: 5/23/16**

SUBJECT: Immunizations

REVISED: 8/22/22

To protect the health of all students and staff and to curtail the spread of infectious diseases, the County Board of Education shall cooperate with state and local public health agencies to encourage and facilitate immunization of all VCOE students against preventable diseases.

Each student enrolling for the first time in a VCOE school or program or enrolling in or advancing to grade 7 shall present an immunization record from any authorized private or public health provider certifying the student has received all required immunizations in accordance with the law. Students shall be excluded from school or exempted from immunization requirements only as authorized by law.

The County Superintendent or designee may arrange for an authorized health care provider to administer immunizations at school to any student whose parent/guardian has consented in writing. At the beginning of the school year, parents/guardians shall be notified of their right to provide consent for the administration of an immunization to their child at school. (Education Code 48980, 49403)
