

The Trauma-Informed, Inclusive Teaching Pyramid

FEBRUARY 6, 2027

8:30 – 12:30 PM

VCOE Conference Center
5100 Adolfo Road, Camarillo CA

About This Training

The CA Teaching Pyramid is a framework that works most effectively as a comprehensive, program-wide approach. The basic CA Teaching Pyramid strategies support all children, including children with disabilities or other delays and can be especially healing for children who have experienced trauma. In this session you will learn about the connection between the Pyramid and high-quality inclusive and trauma-informed practices.
