Instructions for Completing the Referral/Authorization Form

This referral/authorization form is required from Hearing Conservation.

1. Client Information
 - a. Enter the name and date of birth; put any nicknames in quotes.
 - b. Complete district information. If the child is not yet attending school, still put in the District of Residence (DOR). If the student is attending a school outside of their DOR, and SELPA funding is not applicable (per below), the DOR will be billed for the services and any HAT equipment. Be sure to indicate both the District of Attendance (DOA) and DOR. Authorization will be needed from designated administrators for both the DOA and the DOR.
 - c. Indicate whether the student has an IEP; if so, whether the primary or secondary eligibility is Deaf/Hard of Hearing (D/HH), Visual Impairment (VI), or Orthopedic impairment (OI), or whether this is an initial IEP assessment for a student with a documented hearing loss (therefore, a student pending D/HH IEP eligibility).
2. Referred By: Enter all information for the referring person, IEP or 504 case manager and primary teacher.
3. Type of Referral: See table below for description of the service options, costs and scheduling process.
 - *Services and HAT equipment for students with low incidence IEP eligibility (D/HH, VI, OI) are funded through SELPA.*
 - *Funding for services/HAT for all other students are the responsibility of the school district and must be pre-authorized.*
4. Reason for Referral: Briefly explain the reason for the referral and indicate assessment timeline, IEP date, and/or any other deadlines that need to be met. Forward copies of all available (non-VCOE) audiology records.
5. Authorization for Billing: It is the responsibility of the referring professional to **first obtain authorization** for services (and, therefore, approval to bill the district/agency) from the **designated administrator** (e.g. Director) **prior** to submitting this form.
6. To submit this request: Save/Print a copy for your records; forward to Hearing Conservation.
