Descriptions provided should include sufficient detail yet be sufficiently succinct to promote a broader understanding of the changes your LEA has put in place. LEAs are strongly encouraged to provide descriptions that do not exceed 300 words.

Provide an overview explaining the changes to program offerings that the LEA has made in response to school closures to address the COVID-19 emergency and the major impacts of the closures on students and families.

GVCS is a non-classroom based charter school. With the exception of small group and one-on-one classes and tutoring through GVCS vendors, no change has been made to the educational program for our general education students. Students are now receiving most of their one-on-one and small group instruction virtually. The educational program for our special education students has been significantly impacted due to the necessary lack of in person services and our ability to conduct required and needed assessments.

Provide a description of the steps that have been taken by the LEA to continue delivering high-quality distance learning opportunities.

GVCS continues to provide high-quality distance learning opportunities at the same level as prior to the COVID-19 epidemic.

Provide a description of the steps that have been taken by the LEA to provide school meals while maintaining social distancing practices.

As a non-classroom based charter school, GVCS does not provide meals.

Provide a description of the steps that have been taken by the LEA to arrange for supervision of students during ordinary school hours.

As a non-classroom based charter school, GVCS does not provide student supervision.
