The Governing Board is committed to equal opportunity for all individuals in education and notification consistent with applicable law. VCOE programs, activities, and practices shall be free from discrimination based on race, color, ancestry, national origin, ethnic group identification, age, religion, marital or parental status, physical or mental disability, sex, sexual orientation, gender, gender identity or expression, or genetic information; the perception of one or more of such characteristics; or association with a person or group with one or more of these actual or perceived characteristics.

Pursuant to Education Code 48985, when 15 percent or more of students enrolled in a school speak a single primary language other than English, all notices and reports sent to the parents/guardians of these students must also be written in the primary language and may be answered by the parent/guardian in English or the primary language. In addition, the No Child Left Behind Act (20 USC 6311 and 6312) requires that Local Educational Agencies receiving Title I funds provide parent/guardian notices in an understandable and uniform format and, to the extent practicable, in a language that parents/guardians understand.

The nondiscrimination policy and related informational materials shall be published in a format that parents/guardians can understand and, when required by law, in a language other than English.

VCOE programs and facilities, viewed in their entirety, shall be in compliance with the Americans with Disabilities Act and any implementing standards and/or regulations.

The Superintendent or designee shall ensure that VCOE provides auxiliary aids and services when necessary to afford individuals with disabilities equal opportunity to participate in or enjoy the benefits of a service, program, or activity. These aids and services may include, but are not limited to, qualified interpreters or readers, assistive listening devices, notetakers, written materials, taped text, and Braille or large print materials.

Individuals with disabilities shall notify the Superintendent or principal if they have a disability that requires special assistance or services. Reasonable notification should be given prior to the school-sponsored function, program, or meeting.
