School board members are faced with hard choices about budgets, curriculum, technology, personnel, facilities and more. This session will give you key tools to help you make informed decisions with expert advice from a representative of the California School Boards Association (CSBA). You’ll get critical information about topics such as conflicts of interest, advocacy, the dos and don’ts of fundraising and expenditures for political activities, lawsuits, vaccines and PE minutes among others.

You won’t want to miss out on this opportunity!
