“Lessons Learned - Debriefing the Thomas Fire”

The Thomas Fire was an unprecedented emergency for Ventura County schools. Many students and staff members lost their homes, relentless smoke led to a huge cleanup effort and extensive closures threw academic calendars into disarray. At the February 5 Dinner Meeting, we will hear from leaders from three districts that were heavily impacted by the fire: Ojai USD Superintendent Andy Cantwell, Ventura USD Superintendent Dave Creswell and Ventura College Interim President Dave Keebler. They will be joined by a representative from the Sheriff’s Office of Emergency Services. Don’t miss this opportunity to learn about what worked well in the response to the fire and how we can be even better prepared for the next emergency.
